Dear Mr Munyan:

Re: Permit Approval, Burgin Project, ACT/049/009, Utah County, Utah

The commitments made in your letters of January 16, and January 28, 1985 are sufficient to address all of the stipulations to permit approval outlined in the Division's Tentative Approval Decision letter of December 28, 1984.

Therefore the only thing standing in the way of the Division's issuance of Final Permit Approval is the posting of the required surety bond. Please feel free to contact myself or Randy Harden if we can be of any assistance in this area.

Sincerely,

Susan C. Linner
